About our programmes

Our Afterschool Programmes provide the perfect way for children, families and adults to explore their interests, learn new skills and meet new people.

We have something for everyone with our programmes featuring a huge range of activities, from surfing, music and theatre to robotics, cooking and yoga!

Our programmes take place in inspiring spaces at our professional studios in Eixample and at our beachfront Eco Hub in Castelldefels. You can also join our online programmes from anywhere in the world.

All of our programmes are delivered in English by expert facilitators ensuring they are engaging and educational.

We're sure you'll love our programmes, so we offer a money-back guarantee. Join us for the first session, and if you don't enjoy it, you can switch to another programme or get a full refund, no questions asked!
